

## REPTILE BREEDERS, INC.

SPECIALIZING IN THE  
CAPTIVE PROPAGATION OF  
COLUBRIDAE AND BOIDAE

**BREEDER AND BROKER**

---

JOHN A. RUIZ, 24691 VENABLO LANE,  
MISSION VIEJO, CALIFORNIA, USA 92691  
TELEPHONE: (714) 855-4339

- REPTILE BREEDERS, INC. will have over 1000 (one thousand) captive produced reptiles available in June/July, 1985.
- Many juvenile and adult captive produced specimens are available now.
- I breed the following: *Lampropeltis mexicana* complex, *Lampropeltis triangulum* group, most known albinos (amelanistic), and various Boas and Pythons.
- Live arrival, excellent health and correct sexing of specimens guaranteed.
- References available.
- Some prices negotiable, especially with larger orders (try ordering with friends).
- Trades sometimes acceptable. At the moment I am looking for legal *Sanzinia madagascariensis* and *Acrantophis madagascariensis*.
- WRITE OR CALL FOR A FREE LIST.
